Recipients are awarded \$100 and an honor cord to be worn at the graduation ceremony.

## ELIGIBILITY

Graduate students in their final semester of an English department MA, MFA, or PhD program are eligible for the award. Summer graduates should be nominated in the Spring semester prior to graduation. Students nominated for but not awarded the Graduate Student Leadership award will be automatically considered for the Outstanding Service award.

## NOMINATION

The nomination should be prepared by the area faculty in consultation with the student. Nomination materials include

- (a) a nomination letter that includes a description of the nominee's leadership roles, and explains how the nominee has actively engaged in encouraging and mentoring leadership in other students; and a statement certifying that the nomination is approved by the area faculty;
